Objective: Dedicated and compassionate Registered Nurse with over 12 years of experience delivering high-quality patient care across medical-surgical, rehabilitation, and home health settings. Experienced in mentoring staff, managing complex cases, and contributing to quality improvement initiatives. Seeking opportunities to continue advancing clinical excellence and patient-centered care.

Qualifications: Acute & Chronic Patient Care; Care Planning & Documentation; Interdisciplinary Collaboration; Patient & Family Education; Quality Improvement Initiatives; Staff Support & Mentorship; Time Management & Prioritization; EMR & Clinical Documentation.

Professional Experience:

Registered Nurse II (2012-Present)

ABC Rehabilitation Medical Center — Los Angeles, CA

- Deliver comprehensive nursing care to a diverse patient population in a high-acuity medical-surgical setting
- Coordinate and implement individualized plans of care in collaboration with physicians, therapists, and case managers
- Serve as Charge Nurse, supporting shift operations and ensuring adherence to clinical standards
- Precept and mentor new nursing staff and student nurses, promoting clinical competency and confidence
- Participate in unit-based quality improvement initiatives focused on patient safety and outcomes
- Advocate for patients and families by facilitating clear communication and discharge planning.

Registered Nurse – Home Health (2018-Present)

CarePlus Home Health Services — Los Angeles CA

- Conduct in-home patient assessments and develop individualized care plans
- Manage start-of-care and reauthorization processes for continued treatment
- Provide patient and caregiver education on medication administration, wound care, and medical equipment
- Maintain accurate documentation in compliance with regulatory and organizational requirements.

Registered Nurse 1 (2007-2012)

ABC Rehabilitation Medical Center — Los Angeles, CA

- Provided direct patient care for post-operative and medically complex patients
- Assisted with comprehensive assessments and implementation of treatment plans
- Collaborated with interdisciplinary teams to support recovery and discharge goals
- Contributed to department-wide projects aimed at improving workflow and documentation accuracy

Education:

UCLA School of Nursing, Master of Science in Nursing (MSN) (2023)

UCLA School of Nursing, Bachelor of Science in Nursing (BSN) (2022)
