

COVER LETTER — RN POSITION

After: Targeted Registered Nurse

Dear Mrs. Wilson,

I am writing to express my interest in the Registered Nurse position at your facility. With over twelve years of experience providing patient-centered care in medical-surgical and home health environments, I bring a strong commitment to clinical excellence, collaboration, and patient advocacy.

In my current role, I deliver comprehensive nursing care to patients with complex medical needs, coordinate treatment plans with interdisciplinary teams, and support quality improvement initiatives aimed at enhancing patient safety and outcomes. I am also experienced in mentoring new staff and fostering clear communication with patients and families throughout the care process.

I am particularly drawn to your organization's dedication to compassionate, evidence-based care. I would welcome the opportunity to contribute my skills and experience to your nursing team and to continue growing professionally within your organization.

Thank you for your time and consideration. I look forward to the opportunity to discuss my application further.

Sincerely,

Alex Morgan, RN
